

DOG PARK CONCEPT IMPROVEMENT PLAN

- 1 QUIET AREA
Fully fenced to 1.2m with single gated entry and irrigated area for timeout / small dogs including the existing shelter.
To include: additional tree plantings, 'space breakers', rock-scape features and seating.
Potential to relocate all / some of the agility items to new area

2 IRRIGATED LAWN
Irrigation to extend to this section to ensure year round green grass

3 NEW DOUBLE GATED ENTRY ON CONCRETE PAD
To include signage and bins
Landscaping treatment to front of park

4 MAINTENANCE VEHICLE ENTRY GATE

5 OPTION FOR TRAINING / AGILITY CIRCUIT
Option to relocate agility items to this area, on gravel surface for ease of maintenance
Include shrub plantings to 1.2m high to screen area to enhance training and focus
Install additional shade trees

6 ADDITIONAL SHADE TREES

7 SENSORY AREA
Consisting of mounded area with rock insets to create a climbable mound, with gravel surrounds and new plantings

8 ROCK-SCAPE AREA
Loosly placed rocks and mounding with potential for a diggig pit
- 9 SOCIAL / SEATING AREA
To include new shelter, seating and a drinker

10 LAKE EDGE
Lake edge to be stabilised with flat topped rocks

11 FITNESS / WALKING LOOP
Install new shade trees along the extent of the new pathway

12 OPEN RUN ABOUT
Open area for ball play etc with new tree plantings in scattered stands throughout the area
Install new seating

13 POTENTIAL EPHEMERAL / DRY CREEK BED LANDSCAPE TREATMENT
To extent of culvert
